

**Now that you have visited the museum let's see what you've learned!**

1. What town in Ohio was Neil Armstrong born in?
2. What 2 countries were involved in the Space Race?
3. What is the name of the first satellite that went into space?
4. Who is Ohio's first astronaut?
5. How many stages does the Saturn V rocket have?
6. Who were the 3 astronauts that went on the mission to the moon on the Apollo 11?
7. What was their mission when they got to the moon?
8. How is "space food" different from the food we eat here on Earth?
9. How many astronauts are from Ohio?
10. What force is keeping you from floating around on Earth?
